**L1.** (Left-Right Scale) Now, changing the subject... On this sheet there is a 1-10 scale that goes from left to right. Today, when we speak of political tendencies, we talk of those on the left and those on the right. In other words, some people sympathize more with the left and others with the right. According to the meaning that the terms “left” and “right” have for you, and thinking of your own political tendency, where would you place yourself on this scale? Indicate the box that comes closest to your own position.
