<p><b>IVOL2.</b> In the past five years (that is, since 2009), did anyone actually get into your main home without permission and steal or try to steal something? Next I want to ask you some questions about what may have happened to you **personally**. Once again, I want to ask you to think about the last five years -- that is, since 2009. Car thefts or thefts from your home that you may have just mentioned as having happened to you or other members of your household must **not** be mentioned now.

<p><b>IVOL3.</b> In the last five years, has anyone stolen, or tried to steal something from you by using force or threatening you with force?          (1) Yes      (2) No      (88) DK (cannot remember)      (98) DA</p>	<input type="text"/>
<p><b>IVOL4.</b> Excluding thefts by using force or threat, there are many other types of theft of personal property, such as pick-pocketing or theft of a purse, wallet, clothing, jewelry, mobile phone, and mp3 player, or sports equipment. In the last five years (that is, since 2009) have you personally been a victim of any of these incidents?          (1) Yes      (2) No      (88) DK (cannot remember)      (98) DA</p>	<input type="text"/>

Now I am going to ask about other incidents when someone has used force against you, or threatened to do so. Once again, I want to ask you to think about the last five years - that is, since 2009. This might have involved someone you knew, or someone you did not know at that time. Remember that your answers will, of course, be treated confidentially and anonymously. Car thefts, thefts from your home, robberies, or personal thefts that you may have just mentioned must **not** be mentioned now.

<p><b>IVOL5.</b> In the past five years, has anyone slapped you, hit or punched you, kicked you, thrown something at you, or attacked you with a weapon in a way that really upset or angered you? Do NOT include horseplay, and do not include incidents of a sexual nature or incidents of domestic violence. ------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------

<p><b>IVOL6.</b> Separately from any incidents you have already mentioned, in the past five years (that is, since 2009), has anyone seriously threatened to slap, hit, punch or kick you, threatened to throw something at you or otherwise injure you, or threatened you with a weapon in a way that really upset or angered you? Do NOT include threats made as jokes, and do not include incidents of a sexual nature or incidents of domestic violence.          (1) Yes      (2) No      (88) DK (cannot remember)      (98) DA (Refusal)</p>	<input type="text"/>

**[GIVE CARD B TO THE RESPONDENT]**

On this card there is a ladder with steps numbered 1 to 7, where 1 is the lowest step and means NOT AT ALL and 7 the highest and means A LOT. For example, if I asked you to what extent do you like watching television, if you don't like watching it at all, you would choose a score of 1, and if, in contrast, you like watching television a lot, you would indicate the number 7 to me. If your opinion is between not at all and a lot, you would choose an intermediate score. So, to what extent do you like watching television? Read me the number. <b>[Make sure that the respondent understands correctly].</b>									
1	2	3	4	5	6	7	88	98	
<b>Not at all</b>						<b>A lot</b>	<b>Doesn't know</b>	<b>Doesn't Answer</b>	

**Note down a number 1-7, or 88 DK and 98 DA**

I am going to ask you a series of questions. I am going to ask that you use the numbers provided in the ladder to answer. Remember, you can use any number.	
<b>B1.</b> To what extent do you think the courts in Suriname guarantee a fair trial? ( <b>Read:</b> If you think the courts do not ensure justice <u>at all</u> , choose number 1; if you think the courts ensure justice <u>a lot</u> , choose number 7, or choose a point in between the two.)	_ _
